

Collins & Kimpton Ltd (Dental Labs)

Job Vacancies - Dental Technician Full Time / Part Time

A great opportunity to join our professional team of people in our laboratories, specialising in:

- Prosthetics / Dentures
- Ceramics / Crown and Bridge
- Chrome Cobalt / Framework

The laboratory follows prescriptions from both NHS and Private dental practices, focused in always providing superb quality and excellent customer service and communication.

Criteria

To have previous Dental Technician knowledge and experience.

To be self-motivated and able to work individually and as part of a team, showing pride and efficiency in your work, by being consistent and well organised.

Good communication skills for support and staying focused whilst under pressure are essential.

Work must be to a very high standard to please our Dentists, Patients and ourselves.

We are offering Full Time & Part Time permanent positions with a generous competitive salary to be discussed and agreed dependant on knowledge, experience and qualifications.

Position - Full Time & Part Time - Permanent employment.
Location - Wednesfield, Wolverhampton
Hours of work - Monday to Friday - 38.75hrs per week, Full Time / Part Time hours T.B.A.
Rate of Pay - T.B.A. Subject to Position applying for, experience and qualifications
