

Safewise is on the lookout for a H&S Advisor to join our small, friendly team based at Hilton Hall in Essington, a Grade I 18th-century Manor House which has been restored into a business centre, set in 25 acres of beautiful Staffordshire woodland.

The role will mainly involve delivering H&S training and carrying out H&S inspections on our client's sites.

Role Summary

Job title: H&S Advisor / H&S Trainer
Contract type: Permanent
Hours: Full time, or 4 days per week. Flexible hours.
Salary: Negotiable
Location: Hilton Hall, Essington, Wolverhampton

Responsibilities:

- Delivering H&S Training to clients and perspective clients at Safewise head office and at client's workplaces (majority of clients are local to head office)
- Compiling Safety Accreditation documentation in an efficient and effective manner and maintaining working knowledge of all safety accreditations, including costs, process, and time periods of assessment
- Carrying out Face Fit Dust Mask Training & PAT testing, following completion of the relevant training
- Carrying out Site Safety Inspections at various UK sites (mainly Midlands based)
- Providing timely and accurate Safety Advice to retained clients
- Production of Safety Inspection reports / CosHH and Risk Assessments
- Assist in other tasks as directed by the Senior Managers

Essential requirements for the role:

- Previous construction supervision/management or H&S Advisor experience
- Experience and confident delivering H&S training and toolbox talks
- Holds NEBOSH H&S Certificate
- Excellent verbal communication skills
- Holds a full, valid, UK driving licence and own vehicle

Desirable requirements for the role:

- Holds minimum Tech IoSH Membership or Equivalent
- Holds a valid CSCS Card
- Any additional construction or H&S training certificates or qualifications
- Excellent Microsoft PowerPoint skills

Further training will be provided where required. If you have any questions, please contact us on 01922 279129.
