

Lab Assistant - Full Time / Part Time

- A great opportunity has arisen to join our friendly team of people in our Dental laboratories.
- No experience is required although being creative would be beneficial.
- Full training will be provided in the lab.

What do we do

- Prosthetics / Dentures
- Ceramics / Crown and Bridge
- Chrome Cobalt / Framework

We are a Dental laboratory with a team of technicians specialising and creating the above to patient requirements by following prescriptions from both NHS and private dental practices, focused in providing superb quality and excellent customer service and communication at all times.

About Us

We have been established for over 50 years with an excellent reputation for quality and reliability, serving practices locally, including Staffordshire, Shropshire and other parts of the UK.

Opportunity

The vacancy is only available due to our colleague of over 30 years service retiring, this is an rare and excellent opportunity to join and be part of a team well known to local and distant Dental Practices.

This placement is an important position that would be particularly suitable to someone of any age who has various practical skills and experience with a creative mindset, not necessarily in dentistry.

Training.

Full Training will be provided in the lab on an ongoing basis by our friendly team of professional, qualified technicians and operators; this will include explaining our Health & Safety Policy including facilities and awareness of any equipment as part our Quality Control processes.

Our processes are proven and easy to follow to achieve our high level of quality and performance to exceed our customers' expectations.

What we are looking for

Someone who is self motivated and able to work individually and as part of a team, showing pride and efficiency in their work, by being consistent and well organised.

Good communication skills for support and staying focused whilst under pressure are essential.

To support and work as part of a successful team at a very high standard to please not only our Dentists, patients but ourselves too.

What we are offering.

Position - Full Time & Part Time - Permanent employment.

Location - Wednesfield, Wolverhampton

Hours of work - Monday to Friday - 38.75hrs per week Full Time / Part Time hours T.B.A.

Rate of Pay - £12.21 per hour (age 21 years and over)
